

November 18, 2006

All Interested Parties:

On October 18, 2006, the review period for the Supplemental EIR for Ironhouse Sanitary District Wastewater Treatment Plant Expansion (SCH# 2004082035) began. The review period was scheduled to close on December 5, 2006.

This notice is being sent to inform interested parties that the review period for the above referenced document has been extended to December 15, 2006.

Sincerely,

Thomas Williams
General Manager
