10. **Always** close all gates. **DO NOT** cut any fences, locks, or chains.
11. Access **will be limited during the winter** due to unfavorable land, levee or road conditions. Gates will be locked during these times.
12. Do not drive into fields. Stay on main roads and in parking lots.
13. No swimming allowed on Jersey Island. Please do not move rocks on the levee. The rocks are the levee protection from flooding.
14. The speed limit on Jersey Island is ten (10) MPH on unpaved roads and thirty (30) MPH on paved roads on the Island. This is strictly enforced. The roads may be rough, especially in winter. Drivers are expected to exercise appropriate caution at all times. If you get stuck, you are on your own.
15. A Pass only applies to the individual to whom it is issued. It does not include children, spouses or other persons, each of whom must have his or her own pass.
