

REGULAR MEETING
BOARD OF TRUSTEES MEETING ANNOUNCEMENT
RECLAMATION DISTRICT NO. 830

DATE:
Tuesday, April 21, 2020

TIME:
2:00 PM

CORONAVIRUS (COVID-19) ADVISORY NOTICE

Consistent with Executive Orders No. N-25-20 and No. N-29-20 from the Executive Department of the State of California and Contra Costa County March 16, 2020 Shelter in Place Order and the Updated Stay-at-Home Order with New Restrictions issued on March 31, 2020 extending the Shelter in Place Order through May 3, 2020, the Special Meeting will not be physically open to the public and all Board Members will be teleconferencing into the meeting via Microsoft Teams. To maximize public safety while still maintaining transparency and public access, members of the public can listen to the meeting by using the hyperlink below and may provide public comment by sending comments to the Ironhouse Sanitary District Secretary by email at goff@isd.us.com. Comments will then be read into the record, with a maximum allowance of 3 minutes per individual comment, subject to the Chair's discretion. All comments should be a maximum of 500 words, which corresponds to approximately 3 minutes of speaking time. If a comment is received after the agenda item is heard but before the close of the meeting, the comment will still be included as a part of the record of the meeting but will not be read into the record.

Any member of the public who needs accommodations should email or call **Cecilia Goff at goff@isd.us.com, or 925-809-3002** who will use their best efforts to provide reasonable accommodations to provide as much accessibility as possible while also maintaining public safety in accordance with the Reclamation District No. 830 and Ironhouse Sanitary District procedure for resolving reasonable accommodation requests. All reasonable accommodations offered for Reclamation District No. 830 will be listed on the District website at www.ironhousesanitarydistrict.com.

7. FUTURE AGENDA ITEMS FOR CONSIDERATION

8. SET DATE OF NEXT REGULAR MEETING

9. ADJOURNMENT

**REGULAR MEETING MINUTES
OF THE BOARD OF TRUSTEES OF
RECLAMATION DISTRICT NO. 830
February 18, 2020**

The Reclamation District No. 830 (RD 830) Board of Trustees met in regular session on Tuesday, February 18, 2020, in the Ironhouse Sanitary District Conference Room at 450 Walnut Meadows Drive in Oakley, CA.

1. Call to Order

1.A. Board Roll Call

President Chad Davisson called the meeting to order at 2:04 p.m.

Members present: Chad Davisson and Tyson Zimmerman

Members absent: David Dal Porto

Staff or Consultants: Cecilia Goff, ISD District Secretary/Office Administrator
Michael McGormley, ISD Ranch/Levee/Reclamation Supervisor
Michael Welty, Financial Consultant
Nathan Hershey, MBK Engineering
Mike Kynett, MBK Engineering
Jason Bone, MBK Engineering
Via Telephone - Jesse Barton, Gallery & Barton - Legal Counsel

Interested Parties: Peter Zirkle, ISD Representative

2. Approval of Agenda

M/S, T. Zimmerman, C. Davisson and the Board voted to approve the agenda and to add item 4.D. Accept Audit Report for the FYE June 30, 2019.

In favor: C. Davisson and T. Zimmerman. Opposed: None. Absent: D. Dal Porto.

3. Public Comments - Communications from the public on subjects not on the agenda.

There were no comments from the Public in attendance.

4. Consent Calendar

4.A. Approval of the Minutes of the December 10, 2019 RD 830 Board Meeting

4.B. Approval of the Minutes of the January 7, 2020 RD 830 Special Meeting

4.C. Approval of Financial Report

4.D. Accept Audit Report For the FYE June 30, 2019

M/S, T. Zimmerman, C. Davisson and the Board voted to approve the consent calendar.

In favor: C. Davisson and T. Zimmerman. Opposed: None. Absent: D. Dal Porto

5. Business Before the Board

5.A. Consider Nominations and Adopt Resolution No. 20-02 for Contra Costa Local Agency Formation Commission (LAFCO) Special District Seat and Designate District Voting Delegates

President Chad Davisson explained to the Board that LAFCO sent out a call for nominations for the special district seat and requested that each voting agency designate district voting delegates. Mr. Mike McGill, a Central Contra Costa Sanitary Board Member, is the current seat holder and is seeking re- election. Questions from the Board were solicited and answered. After discussion, the Board decided to nominate Mr. McGill and to designate the Trustees in attendance as the voting delegates.

M/ S T. Zimmerman, C. Davisson and the Board voted to adopt resolution no. 20-02 nominating Mike McGill for the LAFCO Special District Seat and designated President Davisson as the voting delegate and Trustee Zimmerman as the alternate voting delegate.

In favor: C. Davisson and T. Zimmerman. Opposed: None. Absent: D. Dal Porto

5.B. Adopt Resolution No. 20-03 Authorizing the 2020-2021 Delta Levee Subventions Program Application

Mr. Nathan Hershey explained to the Board that 2020-2021 Delta Levee Subventions Program application is routine business. The RD 830 Board typically directs the District engineer to file the application and CEQA exemption. Questions from the Board were solicited and answered.

M/ S T. Zimmerman, C. Davisson and the Board voted to adopt resolution no. 20-03 authorizing the 2020-2021 Delta Levee Subventions Program application.

In favor: C. Davisson and T. Zimmerman. Opposed: None. Absent: D. Dal Porto

5.C. Authorize the Purchase of Mitigation Credits for the Pump Station Relocation

Mr. Jason Bone, MBK Engineers, explained to the Board that in order to proceed with the Pump Station Relocation Project, the Army Corps of Engineers requires the purchase of wetland mitigation credits. To implement the Pump Station Relocation Project permitting process through the Corps, mitigation credits were negotiated from a 2:1 replacement ratio to a 1:1 ratio by District engineers. The District will have to purchase 0.19 Floodplain Mosaic Wetland credits through the Cosumnes Floodplane Mitigation Bank, developed by Westervelt Ecological Services, LLC. The cost for this purchase is \$30,400. Once the receipt of purchase is received by the Corps, the California Water Board will approve the permits to proceed with the project.

M/ S T. Zimmerman, C. Davisson and the Board voted to authorize the purchase of mitigation credits for the Pump Station Relocation.

In favor: C. Davisson and T. Zimmerman. Opposed: None. Absent: D. Dal Porto

6. Staff Reports

The staff reports were presented to the Board. Mr. Michael McGormley explained that a tree fell over on Jersey Island. In order to avoid undesirable consequences, the California Department of Fish and Wildlife was notified of this natural change in habitat. PG&E cut down and removed

an entire tree on Jersey Island. The District may receive a bill for this. District Engineers will notify the Department of Fish and Wildlife. Questions from the Board were solicited and answered.

7. Engineers Report – Nathan Hershey

Mr. Hershey reviewed the Engineers Report provided in the agenda packet and solicited and answered questions from the Board. Subventions program funding for 2020-21 was lowered to the amount of \$10 million. District Engineers believe this amount is not sufficient to fully fund the program and have expressed concerns to DWR. Applications for the program are due April 1. Construction of the north levee splash berm is complete. The total construction cost was \$247,496.82. 100% (final) plans and specifications have been prepared for the Pump Station Relocation Project. Mitigation credits need to be purchased in order to complete permits required by the Corps. The project is expected to go out to bid early in 2020. Construction is expected to begin late summer. Engineers are working on updating the Districts Five Year Plan. District priorities will be identified in the Plan. The plan must be completed by the end of 2020.

8. Set Date of Next Regular Meeting

The next regular meeting was scheduled for Tuesday, April 21, 2020 at 2:00 p.m. at the Ironhouse Sanitary District conference room, 450 Walnut Meadows Drive, Oakley, CA.

9. Adjournment

President Davisson adjourned the meeting at 3:20 p.m.

RD 830 LEVEE INSPECTION

DATE: 3/27/20	TIME: 9 am	NAME: McGormley
DESCRIPTION	LOCATION	COMMENTS
RODENT ACTIVITY	370-380, 199,150-160	370-380 gopher activity landside slope, 199, 150-160 ground squirrel activity toe and slope
LEVEE CROWN FALL (water run-off)	328,310, 195- 196, 176-177	Several spots on the paved ferry road have settled from the heavy grain truck use this season.
ROAD CONDITIONS		Good condition
SLOUGH, EROSION, CRACKING	440, 464,	Down ramp at 440 has crack running perpendicular. Splash berm at 464 has small settlement crack.
DEBRI LANDSIDE		Clear
DEBRI WATERSIDE	462, 410, 409, 455, 709	462, 410, 409, 455 logs on levee below mean waterline. 709 old barge.
SEEPS AND BOILS	442, 467	467 running. 442 wet on toe.
TOE DITCHES	445-455	Toe ditch has been cleaned
VEGETAION OBSTRUCTIONS		Cattle are out on parts controlling the vegetation.
SUITABLE GROUND COVER CONDITIONS		weeds have died back. Grasses are established all around the levee
ROCK ARMOR CONDITIONS		Good condition
TOE ROAD CONDITIONS		Good condition
ACCESS AND ENCROACHMENTS	435	435 light house at Jersey point.
PROFILE OR CROSS SECTION CHANGES		No noticeable changes

RD 830 LEVEE INSPECTION

DATE: 3/27/20	TIME: 7:30 am	NAME: McGormley
DESCRIPTION	LOCATION	COMMENTS
CHANNEL CROSS SECTION		no noticeable changes
GATE CONDITIONS	761	wire gate on toe road needs to be replaced. All the rest are ok
STATION MARKER CONDITIONS		good. 660-680 still removed.

NOTES: Seep drain at 477 not running, Seep drain at 479 not running. Tide was going out. Light wind.

MEMORANDUM

April 21, 2020

TO: Reclamation District No. 830
FROM: Nathan Hershey, Mike Kynett
SUBJECT: **April 2020 Engineer's Report**

Described below are the engineering items to be discussed at your April 21, 2020 meeting.

Subventions 2018-19 – The District submitted an application for participation in the Program in the amount of \$1,828,000. \$12 million has been approved for Program funding for FY 2018-19, consistent with recent previous years. The District submitted a final claim in the amount of \$162,719.32. The final claim amount was relatively low due to the weight restrictions placed on the Jersey Island bridge. The access limitations resulted in a delay of planned projects. DWR and CDFW have conducted their annual joint inspection and the claim is currently being processed.

Subventions 2019-20 – The District submitted an application for participation in the Program in the amount of \$2,112,000. DWR has lowered the Program funding amount to \$10 million for FY 2019-20. We believe \$10 million is likely not sufficient to fully fund the Program and have expressed our concerns to DWR and the Central Valley Flood Protection Board.

Subventions 2020-21 – Applications for participation in the Program were due April 1. The District submitted an application in the amount of \$1,812,000. We have received notice from DWR that \$12,000,000 is being committed to the Program for FY 2020-21.

Annual Maintenance – To be discussed at the meeting. Projects under consideration that have been previously deferred should include constructing the drainage system to control seepage from Stations 435-448 and constructing the splash berm from Stations 660-688.

The beta version of the new levee maintenance issue tracking system appears to be working well. Any feedback from the Board or staff is appreciated.

Pump Station Relocation – We have advertised the project for bid and have extended the bid schedule due to the circumstances involved with the COVID-19 virus. We have adjusted some of our processes as a result of the virus and will be conducting a virtual job walk using video conferencing technology and drone footage of the project area. Prospective bidders will set up individual appointments to visit and review the site. We intend to open bids on Friday, May 1, at 2 p.m. We will use videoconferencing and physical distancing during the bid opening while still complying with public contract code requirements.

Five Year Plan – Work on the Five-Year Plan is currently in progress. We intend to distribute a draft of the plan for comment via email soon. The Plan must be completed by the end of 2020.

DWR Emergency Response Grant Update – We are still waiting to see the final version of the Local Flood Safety Plan.
